

Beloved God, let the flowers of my devotion blossom in the garden of my heart while I await Thy coming.

Being endowed free choice, I am a son of God in reality. I have been dreaming that I am a mortal man. I am now awake. The dream that my soul is imprisoned in a bodily cage has vanished. I am all that my Heavenly Father is.

Teach me to find Thy presence on the alter of my constant peace and in the Joy that springs from deep meditation.

I will make my inner environment perfect through meditation, that it be impervious to ALL adverse outside influences.

There is a hidden strength within me to overcome all obstacles and temptations. I will bring forth that indomitable power and energy.

O Spirit, teach me to pray with deep concentration, and to imbue scientific meditation with devotion. May my heart daily become more pure by all-surrendering Love for Thee.

Divine Artisan burn away all the dross of weakness in me, give me the Steel of Endurance of Faith and Trust in Thee, the Strength of Calmness, the Flexibility of Wisdom, the Awareness of Caring and the Light of Love.
