To the Albuquerque Meditation Group

Dear Friends,

We just want to let you know how much we appreciate all of your efforts in support of the monks' recent visit to Albuquerque. The careful planning and loving attention to every detail, both before and during the tour, contributed greatly to its success -- and to the atmosphere of peace and joy that pervaded the meetings.

Since then, many devotees have let us know how inspired they were by these gatherings. Such events truly offer a blessed opportunity to become more absorbed in Gururji's teachings and spirit, and to share divine fellowship with one another. God and Guru are ever present; and yet it is true that "where two or three are gathered together" in Their name, it becomes much easier to lay aside our burdens and immerse ourselves in that holy Presence.

Thanks again to all of you, our dear friends and fellow disciples. May each one of you, through your meditations and devoted service to God and Gururji, increasingly feel Their presence and blessings in your life.

In divine friendship,

SELF-REALIZATION FELLOWSHIP
